Dear Miss Ashford,

Please forgive the delay in this matter but I have just been so busy that I did not have time to complete the work before moving and since everything has been in such a state that I have just now located most of my papers and am getting them in workable order.

You mentioned in your letter that you have the wills listed in Torrences "Wills and administrations 1628 - 1800. If you wish me to continue on the same terms as the past please send me Wills of Chris. Sr. 1753, Wm. 1774, Hen. 1799 and John 1799. I have an item listing John as being 61 in 1690 he seems to be the original Surry Mooring to me but looked no further into this.

Here are some Mooring - Moring - Moreing notes I have on hand in files and library.
